

All VSSL units are designed to be compact and portable. Each has unique, yet practical contents for your outdoor adventures.

VSSL Supplies

Contains the outdoor gear you need for short-term excursions. Whether you plan to be out for a few days or a few hours, having critical supplies in a compact weather-resistant case is an essential part of preparation. Each VSSL is 8" long by 2" diameter made from seamless extruded military specification anodized aluminum.

Features

- Includes a Dual mode (static and SOS) LED 'flood' beam lantern light, illuminates a large area (batteries included)
- Compass (oil filled)
- 4 hour pure Canadian beeswax candle
- Razor blade
- Aquatabs® water purification tablets
- Wire saw (high tensile, 60lb working strength with handle straps)
- First aid supplies
- Aluminum beadless emergency whistle
- Waterproof matches
- Tinder Quik® fire starters
- Fishing Gear
- Signalling Mirror
- Marine grade rope (250lb breaking strength)
- Reflective trail markers
- P38 military GI Type can opener
- VSSL priorities of survival and instructions

VSSL Flask

A flashlight designed to hold your booze!

Contains your beverage of choice plus a flashlight to help guide you in the dark. While VSSL Flask pays tribute to the end of prohibition, its compact form was created with portability (not concealment) in mind. It was designed to be easy to take on your adventures, like our other VSSL products.

Features

- Includes a Dual mode (static and SOS) LED 'flood' beam lantern light, illuminates a large area (batteries included)
- 2 collapsible stainless steel drinking (shot) glasses
- Custom high quality aluminum VSSL bottle opener

- Compass (oil filled)
- 10oz (300ml) beverage container
- Hidden compartment, can be used as a third shot cup or hold other items
- Flask interior is treated (deposited) with non-removable, non-breakable SiO₂ (glass) to preserve the quality of your beverage

VSSL First Aid / Personal Care

One of those items you hope you'll never have to use, but sure are glad when you have it. We've packed VSSL First Aid with the most common items required to treat personal minor medical issues. In addition, if your medical emergency leaves you stranded, the compact whistle and our dual mode LED flashlight can both be used to signal for help.

Features

Emergency First Aid Kit: (contents subject to change)

- 6 BZK-based antiseptic wipes
- 1 Triple antibiotic ointment
- 2 Cotton pads (2" x 2")
- 4 Knuckle bandages
- 8 Butterfly bandages
- 8 Regular bandages
- 4 Ibuprofen tablets
- 4 Aspirin tablets
- 4 Safety pins (Small/Large)
- 1 Tweezers
- 1 Single sided razor blade
- 1 Roll of medical tape
- 1 Roll medical gauze tape
- 1 Pair medical gloves
- Includes a Dual mode (static and SOS) LED 'flood' beam lantern light, illuminates a large area (batteries included)
- Compass (oil filled)
- Emergency whistle

VSSL Shelter

Sometimes things don't turn out like we planned. Lost, injured, or require temporary protection from the elements; we created a lightweight emergency shelter for this purpose. Contained within the handle of a compact weather-resistant aluminum LED flashlight, our VSSL Shelter is ready to provide cover in case of an emergency.

Features

Includes a Dual mode (static and SOS) LED 'flood' beam lantern light, illuminates a large area (batteries included) emergency metallized poly (MPET) tent.

- 96" x 60" x 36" light weight
- 20' Marine grade rope (265lb breaking strength)
- Compass (oil filled)
- 2 re-usable rope hooks
- Tent reflects up to 95% of radiated heat
- Can also be used as a first aid blanket to prevent/counter hypothermia
- Reflective surface ideal for visibility
- Initially developed by NASA and used by military and first responders world-wide

VSSL Mini Cache

You need a compact almost indestructible waterproof cache.

Each VSSL Mini Cache is 6" long by 2" diameter made from seamless extruded military specification anodized aluminium.

Features

Emergency First Aid Kit: (contents subject to change)

- 3 mode LED lantern - static (low high) and SOS
- Broad 'flood' based lantern light (illuminates large area). Batteries included
- Oil filled compass
- Military grade aluminium cache
- Carbiner end cap
